It was decided that the hosting team is responsible for handling the bracketing room along with all aspects of running the tournament. If help is needed contact needs to be made in advance of the tournament by contacting the league via email or phone call to ask for help.

Too much congestion around the Pee Wee mats at OC and Silverton

Suggestions to start peewees at 8 or 8:30 and start everyone else at 9:30 and to maybe reserve the bottom row of bleachers for wrestlers and entourage on deck.

OC tournament was too big not enough mats for the number of wrestlers staging issues causing dead mats. If you are unsure ask for help and take advice

It was determined that Scappoose was an unsanctioned tournament Scappoose not in attendance but there were 10 votes for putting Scappoose on probation
