

To be read over the PA system at the start of each Tournament

The Northwest Junior Collegiate Wrestling Association is dedicated to the development of kids, coaches, officials and parents through the sport of wrestling. Our goal is to provide opportunity for member clubs to come together in a friendly format to participate in, and learn the skills of collegiate wrestling. We accomplish this goal by organizing and promoting no cost, high quality practice tournaments that strive to provide an environment that:

1. Places the safety of the wrestlers above all else.
2. Emphasizes constant self improvement for all involved.
3. Promotes an atmosphere of courtesy and sportsmanship.
4. Develops confidence and self control.
5. Encourages a spirit of selfless service to others.
6. Teaches maturity and emotional control in the face of winning, losing, or perceived unfairness

Accomplishing this goal requires the help and service of all. Because no entry fees are charged, NW Junior's relies entirely on unpaid volunteers to assist the host club in running this tournament. Parents, coaches, and capable wrestlers are expected to volunteer as they are able for table help, referees, staging personnel, and facilities keepers. Additionally, everyone is expected to remember at all times that the referees, table help, and tournament coordinators work entirely on a volunteer basis and are to be treated with respect, and understanding.
