NWJCWA 40th annual tournament
1/23/15

decided between line brackets and vertical pairing....vertical pairing decided
\$25 registration fee (no spectator fee or floor passes being sold)
we received a sales proposal from AGA (shirt vendor) wanting us to sign for 3 years giving us \$1000 or 25% of total gross sales for the tournament.

We voted not to sign a 3 year contract we would go year to year.

Should we do special trophy or other item for the champion in each class?
It was voted no but we would look at doing something special to honor Art.

Job list for the tournament was passed around

We need to find a EMT or EMR to volunteer their time to be onsite during the tournament.

It was suggested to ask our club parents if they have contacts or to call some of the smaller fire departments around like Gladstone to see if they had someone.

Rod will secure 8 walkie talkies for the tournament

We held the 1st raffle for all in attendance and it was a lot of fun.

Next meeting is Sunday 12/13
