Election of officers:

Rod Hale Vice President
Heather Clark Secretary/Treasurer
Cathy Peters Operations Officer

Bob Peters proposed a Referee Training Program - Scott Wenlund of Estacada was put in charge of this program.

Scott will be developing the details of the program to be discussed at a later meeting. The premise of the program will be WHITE/YELLOW/BLUE level of ref'ing. There will be a training schedule determined before the start of next season that will take place during our league tournaments. We would like for clubs to determine what kids in the club would like to be included and get that information to Scott at the 1st meeting of the season. There will be a benefit for the referees that make "blue card" status. Details to be determined. The goal is to give the more experienced wrestlers an opportunity to see things from another vantage point. We want to make this fun and potentially help to build the referee pool over time.

Rule books will need to be ordered for this program

It was also discussed about holding a Table help clinic at the beginning of the season for all the parents so it is not so "scary" for them to help out. This will be discussed more at the 1st meeting of next season.

Bylaws were slightly changed to reflect updated information as to what we are actually doing at this time.

Discussion with Art Reynolds about updating the IRS 990N with new officers

Bob has looked into Executive liability insurance 1st quote he got is \$700 he will be looking into this further, for next season.

2 clubs were nominated to be put on probation

Teresa and Randy Lees of North County and SWWWC nominated to sponsor Cory Vonbauer with Camas Elite

Nick Shafer and Andrew Marshall of OC kids club nominated to sponsor Mark Lynch of Panther Wrestling.

Tournament Stipends were handed
